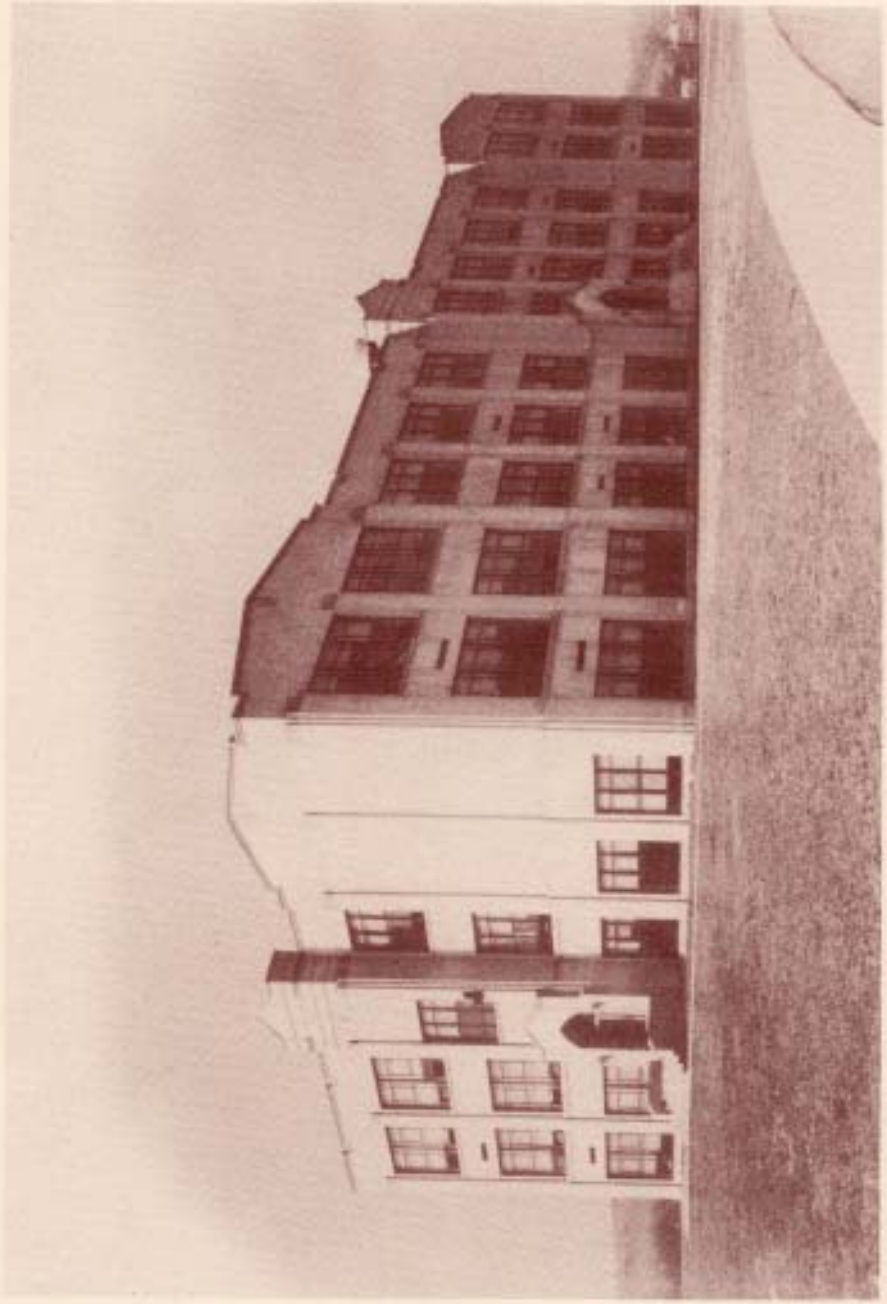
VOL. IX

FOREWORD

So that the friends, the joys of our high school life, the varied events, carefree companionships, trivial sorrows may have greater permanence; so that when memories have become dimmed by the flight of years, we can from these pages rebuild loved scenes and reminisce a while—the Senior Class submits this book.



TO OUR SCHOOL

To you, **Cumberland,** we owe more than mere words can express. Throughout our high school career you have been our guiding light and symbol of inspiration. Although our stay has been of short duration, the memories of our high school days will long endure. What knowledge we have garnered here, we feel is of vital importance to ourselves and to society. The teachers, who have showered us with understanding and encouragement, will always be held in high esteem. It is our fondest desire that we have measured up to the standards of the institution.

With a heartfelt feeling of appreciation for the opportunities you have bestowed upon us, we leave you, **Cumberland,** Alma Mater.

—The Class of '37.

DEDICATION

To
Gilmore F. Bell,
our Friend and Guide,
who has served us faithfully
on the School Board since 1921,
and as its President since 1923,
The Senior Class dedicates this Book.

Our institutions of secondary education surely help to lay the foundations of the state in knowledge, to remove the weakness of ignorance. Every gibe at education, at culture, at books (in which are recorded the wisdom and the experience of mankind), and at book learning is a demagogue's sneer at intelligent liberty, inviting national degeneracy and eternal ruin.

BASKETBALL

At the close of the football season, Coach Venen immediately turned his attention to the organizing of a basketball team. Since we had lost all but one regular of last year's team, the task of rebuilding was difficult. Using the one remaining letterman, Hayes, as a nucleus, Coach Venen, soon molded an acceptable team.

Judging by the games won and lost, the team had only average success, however, most of the games lost were dropped by a very small margin.

The following was the usual starting lineup:

Forward	M. Herbik
Forward	J. Herbik
Center	J. Gusich
Guard	Hayes
Guard	Monchlovich

Reserves: Tarlosky, Burnette, George, Doman, and Krivoski.

We shall lose by graduation: Acting Captain Hayes, M. Herbik, J. Gusich, and Doman.

WRESTLING

Wrestling enjoyed its second season in Cumberland Township High School, under the direction of Coach Frank Bonifield. Although the sport is new and not yet very well understood by the student body, it has gained popularity rapidly.

The team won 6 and lost 9 matches. In the 1937 W.P.I.A.L. tournament at Dormont, Davies was acclaimed champ in the 135 pound class and Toth, Monchlovich, and Callaghan who were second place winners.

Coach Bonifield will be without the services of Davies, Hunyady, Toth, Metzger, and Bernhart when the call for candidates is made next fall.

STUDENT COUNCIL

Under the direction of Mr. Rich the Student Council made great progress this year. During football season the Council made the Freshmen wear signs and prizes were given to the students having the best signs. They also held their annual amateur program, which proved a great success, and showed some very fine talent in the school. Then came the Current Events test, which is put out by the Time magazine and given to the students. Matt Moore took highest honors by making 81 points out of 105.

DEBATE TEAM

The debaters have had, up to the time the Cumberlander goes to press, enjoyed a very successful year. In the thirty-one practice debates in which they participated, eighteen of the twenty-one decisions rendered were in their favor. On April 3, the team will be entered in the Greene County tournament at Waynesburg. Later the team will go to State College, Pa., where it will attend a state wide contest of the National Forensic League.

The debate team became a member of the National Forensic League near the close of the debate season last year.

The debate team loses three members, Matt Moore, Miller Sloneker, and J. R. Moore, by graduation.

Miss Ruth Bailey is to be commended for the time and work she expended in developing such a worthy team.

"MIKE" STAFF

The publication of the "MIKE" was continued this year under the supervision of Miss Wickerham. Issues of the "MIKE" were published at intervals of six weeks. During a period of Miss Wickerham's absence from school, the members of the staff carried on the work in excellent fashion. The "MIKE" has performed an extremely useful function in keeping the school informed on all activities and in arousing interest and enthusiasm in all school work. The only criticism that could be directed at the "MIKE" is that such an interesting and useful paper is not published more often.

SENIOR CLASS PLAY

On March 12 the Senior Class presented its class play. This play, "The Mummy and the Mumps," a three act comedy, was highly entertaining. A school in New England, an Egyptian mummy, an epidemic of mumps, and an array of impersonating characters were converged to form an hilarious comedy. A matinee was given to students on March 11. On the evening of the following day it was presented to the public.

Miss Louise Wilson supervised its production.

BASKETBALL "B" SQUAD

The "B" squad is a junior varsity group playing other junior varsity squads in the district.

"B" squad record:

"B" SQUAD		OPP.	"B" SQUAD		OPP.
10	Pt. Marion	17	11	Waynesburg	12
9	Pt. Marion	10	25	Crucible	26
11	Georges	4	20	Washington	15
9	E. Bethlehem	8	14	Managers	2
9	Seniors	4			
5	Georges	4	130	Totals	118
7	Waynesburg	16			

GIRLS' VARSITY BASKETBALL

After practicing during the noon hour for three weeks, Miss Harriette Bailey's lassies met Centerville and suffered their first defeat. Not discouraged, they played a return match and again were defeated. Then, the Varsity met the girls from Mapletown and won their first game. In a return match they again defeated Mapletown. When the season ended the records showed the girls had a percentage of .500 for the season.

GIRLS' "C" CLUB

Possibly the most active club in the school, this organization is composed of girls who make the required 1,000 points. To get these points a girl must take part in games, operettas, and plays. This year the club bought pins for its members. The club held a dance and two basketball games played with Mapletown Senior boys and girls. This proved to be one of the outstanding social events of the year.

ORCHESTRA

The orchestra was organized this year under the leadership of Mr. Ridenour. The orchestra furnished music at the various assemblies and programs in the auditorium, and on evenings of the Senior play and the operetta. The orchestra provided music that was inspirational and enthusing and we may be justly proud of its work.

BOYS' VARSITY "C" CLUB

This club, composed of boys making letters in the major sports, basketball and football, is directed by Mr. Cree. By selling refreshments at games and at noon this club has purchased sweaters for its members. The sweaters are gold with purple stripes. The number of stripes on a sweater indicates the number of years the wearer took part in the sports shown on his letter. Seniors are the only ones eligible to join the club, according to W.P.I.A.L. rules. This ruling changed the plans of the club which had intended to buy sweaters for the Junior boys earning letters.

NATIONAL HONORARY SOCIETY

The National Honorary Society is a nation-wide organization based on merit in scholarship. To become a member of this organization, a student must attain an A average in three subjects for a semester. Music and physical education are not included as subjects in these averages.

Mr. Bennett Rich is the faculty supervisor of this organization.

OPERETTA

The annual high school operetta will be presented in the week of April 12, after the Cumberlander has gone to press. It is a two act musical comedy, titled "Tune In." Activity was centered at radio station WTNT. The chorus of the operetta was supervised by Miss Goodwin, the principals by Miss Reigle, and the dancers by Miss Bailey.

BOYS' INTRA-MURAL BASKETBALL

NATIONAL LEAGUE—

This was the second year Mr. Bonifield organized these entertaining games. This league, composed of Senior and Junior rooms turned out many thrilling games. There were six teams in the league and each team played ten games. Senior Room 6 went undefeated and as a result will receive letter awards. Room 9 was a very strong contender.

AMERICAN LEAGUE—

This league was composed of Sophomores and Freshmen rooms. Due to the number of rooms, some of the games were played on Saturdays. Room 14, with a string of fourteen victories, took the league. The Freshmen, who had less training, made a fine showing. Runnerup to Room 14 was another sophomore group, Room 16.

In a "World Series" playoff
Room 6 defeated Room 14.

GIRLS' INTRA-MURAL BASKETBALL

NATIONAL LEAGUE—

Like the Senior boys, the Senior girls proved superior over the Junior girls. After the games were completed, it was found that Room 9 and Room 5 were tied for first place. In the playoff Room 5 won an exciting victory, 13 to 11. The Senior girls will receive letter awards.

AMERICAN LEAGUE—

In a close race Sophomore Room 16 won this league. They were challenged for first place all the way by Freshman Room 1, which was runnerup. The girls from Room 16 will receive letter awards. Miss Harriette Bailey supervised the games.
